RAPID AUDIENCE GROWTH, Content testing, and Engagement boost through Short-form esl content

To test the effectiveness of short-form grammar polls and cultural insights in growing a targeted ESL audience on a new platform. The campaign aimed to:

- Increase brand visibility
- Drive engagement from English learners aged 18–35 (with a Taiwan/Asia focus)
- Validate short-form content formats for future campaigns

STRATEGY...

We launched a 30-day Threads Growth Challenge using these tactics

Posted every hour (7am–11pm): Grammar polls, British slang, and cultural tips

Tone was playful, educational, and culturally relevant to ESL learners

Themes included:

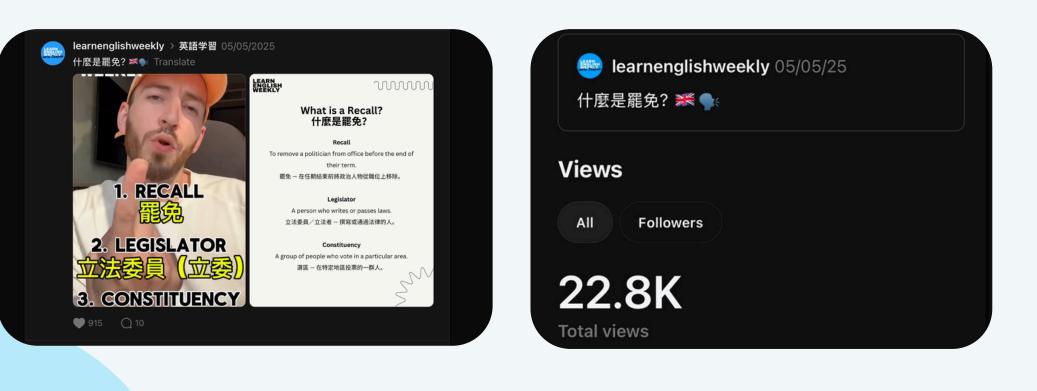

"Fill the gap" grammar polls British slang or pronunciation quirks UK vs Taiwan comparisons 'Word of the day' content

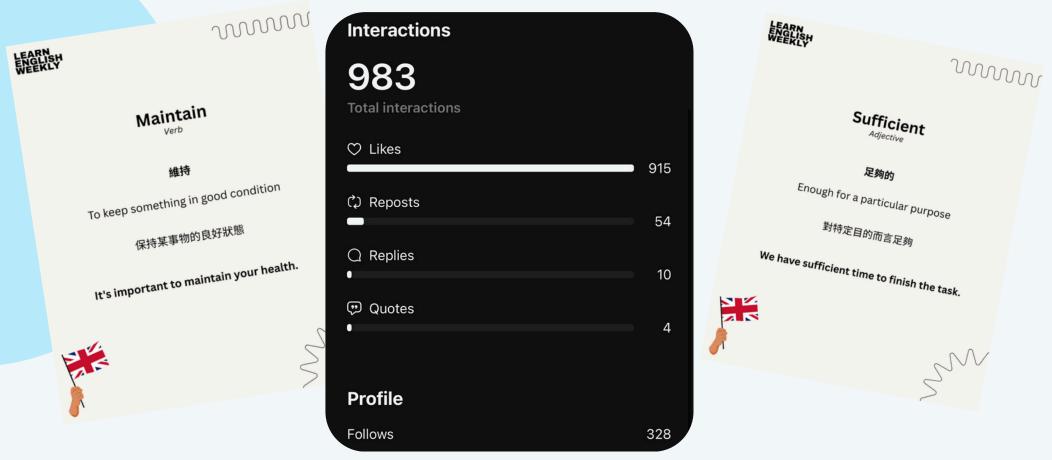

Highly visual, scroll-stopping question-based posts
